PROFILE

Recent Berklee College of Music graduate and aspiring composer with experience creating music for visual media and concert performance settings. Passionate about exploring diverse musical genres and applying strong skills in composition, orchestration, music theory, and media scoring to craft compelling musical experiences. Seeking opportunities in film, television, gaming, multimedia production, or related creative industries where I can contribute innovative compositions while continuing to grow as a composer and collaborator.

PROFESSIONAL EXPERIENCE

Sales Associate

October 2023 - December 2023

Music & Arts

- Delivered exceptional customer service and sales support by assessing customer needs, recommending instruments and accessories, and providing product knowledge to musicians of all skill levels.
- Coordinated lesson and repair scheduling, maintained inventory accuracy, and ensured merchandise displays were organized, visually appealing, and fully stocked.
- Built positive customer relationships through personalized recommendations and technical guidance, helping customers find products and services that aligned with their musical goals.

Disney College Program Intern

January 2024 - January 2025

Walt Disney Company

- Operated attractions safely and efficiently while adhering to company procedures and prioritizing guest and cast member safety.
- Delivered exceptional guest service through positive interactions, clear communication, and proactive problem-solving to enhance the overall theme park experience.
- Received multiple guest-submitted cast compliments in recognition of outstanding service, professionalism, and dedication to creating memorable guest experiences.

COMMISSIONED WORKS

Voxraptor (2025)

Film Composer

- Composer for the horror short film "Voxraptor," creating an original score to heighten suspense, tension, and psychological atmosphere.
- Collaborated with the director to develop musical themes and cues aligned with the film's pacing, tone, and narrative moments.

2B Shields (2021)

Media Composer

- Composer for the animated commercial "Captain Comet" by 2B Shields, creating an original score to support tone, pacing, and storytelling.
- Collaborated with the creative team to develop musical themes and cues that enhanced character moments and the overall narrative style.

Elation Nation L.L.C. (2023)

Video Game Composer

- Composed "Combo Bombo", creating original music to support gameplay and player experience.
- Developed themes and cues aligned with the game's tone and interactive moments.

Lobber Team (2023)

Video Game Composer

- Composed for "Lobber," creating original music to support gameplay, pacing, and overall player experience.

Ridgewood High School Wind Ensemble (2023)

- Composer of "Century of Traditions" for the 100th anniversary of the Ridgewood High School Band Program.

Rivers School Conservatory (2023)

- Composer of "Dream Big" for soprano voice and piano, written for voice and piano performance.
